

Invitation to the 2nd World Congress on **EXCELLENCE in SPORT & LIFE** in Pristina, Kosovo - August 22-26, 2011

Dear Colleague and Friend,

Welcome to the 2nd World Congress on Excellence in Sport and Life to be held in a new and exciting country, Kosovo. We are invited by the Kosovo Government and by Pristina University to a congress about four interesting ways to reach Excellence in the following areas:

- Sport
- Performing Arts
- School and Education
- Work and Business
- Health and Relations
- etc.

The World Congress on Excellence consists of one main congress:

- 6th World Congress on Mental Training and Excellence

and three sub congresses:

- 2nd International Congress on Developmental Hypnosis
- 2nd International Congress about "fast" methods for Change, like EMDR, TFT, EFT, NLP etc.
- 2nd International Congress on Developmental Coaching

Program

You are invited to contribute to the program by Papers and Posters, running a workshop or taking part in a Seminar or Symposia.

Pre-, Post-Congress- and family activities

A pre-congress certification course in Mental Training will be held August 16-21 and post-congress education at the "Albanian Riviera" August 27-31. Activities for family members will also be organized.
